- Each section in the table indicates the time that the team arrived at the transition. The race started at 10h00 AM. The 2<sup>nd</sup> and 3<sup>rd</sup> column of each section in the table represent respectively the cumulative position per category and the cumulative position overall.
- The total time represents the time at the finish line minus the time at the start line including the penalty for CPs missing.
- Teams that did the advanced section were ranked above all other teams.
