

Raid Pulse May 2009

- Each section in the table indicates the time that the team arrived at the transition. The race started at 9h55 AM. The 2nd column of each section in the table represent the cumulative position per category.
- The total time represents the time at the finish line minus the time at the start line including the penalty for CPs missing in the regular course.
- For the advance section, there is no time penalty for missing cp's. Missing advanced cp's only affects the ranking.
- Teams that did the advanced section were ranked above all other teams.
