Adventure racing is an ultra endurance event which involves risks of accidents which could cause personal injuries or breaking of equipment. Pulse Adventure Racing cannot be held liable for incidents, which could occur during the raid.

Participation in a adventure racing event involves risks and I \_\_\_\_\_ agree to entirely accept responsibility for these risks. I relieve from all responsibility the organizing committee and volunteers of Pulse Adventure Racing as well as municipalities and land owners upon which the course will pass.

For the transportation and storage of material and bicycles,  
I \_\_\_\_\_ relieve the Pulse Adventure Racing organizing committee of all responsibility for theft, breaking or fire during the event.
