

Hello to all participants,

A little less than two weeks before the start, the course is ready, and we will have an awesome adventure. Thank you for your cooperation with the waivers and Maprun6 screenshot. We hope to return to a simpler process next year if Covid measures ease.

#### DOCUMENTS

All documents to be read and/or printed are on [the event webpage](#) (top right corner). Please read the race documentation carefully so you don't miss anything.

#### CHECK-IN TIMES

Friday from 6:30PM to 9:30PM and Saturday from 7:00AM to 8:30AM. We strongly recommend arriving on Friday evenings to avoid extreme traffic on Saturday mornings. There are still places left at the campsite (only \$15 per tent) write to [raidpulse.td@gmail.com](mailto:raidpulse.td@gmail.com) to reserve.

Keep in mind that it takes about 30 minutes to complete the pre-race registration process. Upon registration, you must have the following items in hand that will be verified:

1) A waterproof map bag 2) A compass per team. The rest of the compulsory material will not be checked before the race, but some items could be requested by volunteers at checkpoints during the race.

#### BOAT DROP

For those bringing their own boat, you must bring it to the boat drop before the start of the race (from 7:30PM to 9:30PM on Friday August 27th and from 7:30AM to 9:00AM on Saturday August 28th). Your PFD's and paddles should be tied together when you will give them to the volunteer. You must also write your team number on your PFD's and paddles and on your boat (forward left side).

Location of the boat drop: Directions will be provided to you at the check-in table at headquarters.

Follow [that link](#) to get your team number.

Please check if the Maprun 6 name registered in the team list is the same one that you have in the App on your phone.

\* We will distribute the course maps at 8:30AM. Make sure you are there so that you have as much time as possible to analyze everything.

If you have any questions, please do not hesitate to contact me.

I wish you an excellent week of preparation.

See you soon.
